until 1 October 2019

The abstracts should be in a text format, without any figures within the scope of no more than 5,000 characters (with spaces)
Abstracts will be published in a separate conference abstracts proceedings

III OPTION — RESEARCHER

The researchers have to submit their articles for the Collection of scientific works "Dorogi i mosti" to the following e-mail: roads_bridges@dornidi.org.ua
Acceptance of articles from the researchers is open
until 16 September 2019

MAIN REQUIREMENTS FOR SCIENTIFIC ARTICLES

The paper's length is 7–15 pages, A4 format (not less than 12 thousand printed characters and not more than 30 thousand printed characters with spaces excluding the list of references and abstracts).

The language of the paper is Ukrainian, Russian, English.

The text of the article has to be edited in Microsoft Word, *.doc or *.docx format, Times New Roman font, size 11, space — 1.0 pt after the paragraph.

Figures that contain illustrative materials (photo, drawing, picture, etc.), have to be in *.jpg format with a resolution of not less than 500x500 points with one space from the main text.

Formulas are to be inserted into the paper by using of Microsoft Word "Formula" editor.

The following should be included in the paper:
the paper's title, Universal decimal classifier (UDC); the conclusions; a list of references; abstracts and a list of key words (in Ukrainian, Russian, English).

The structure of a scientific paper should include the following elements:

- statement of the issue in general and its connection with important scientific or practical tasks;
- analysis of recent research and publications in which the solution of this issue was initiated and which the author focuses on with the stress made on the previously unsolved parts of a general issue this paper relates to;
- formulation of the paper's objectives (statement of the task);
- setting forth the core research material followed by the full justification of obtained scientific results;
- the conclusions from this study and the prospects for further investigations in this direction.

It is necessary to add to the papers the review by a scientific supervisor, a consultant or an expert on the issue under the study.

The Organizing Committee and the editorial staff of the conference proceedings are not responsible for the content of submitted materials but reserve the right to carry out their technical editing without the consent of the authors.

Participation fee — free of charge

All the requirements of the collection can be found on the site www.dorogimosti.org.ua
